acadia  
connect™

NUPLAZID®  
(pimavanserin) 34mg capsules

# Acadia Connect™ helps ensure that it's easy for your residents to start and continue taking NUPLAZID® (pimavanserin).

NUPLAZID is accessible and affordable:

LESS THAN  
**\$10** 9 in 10 patients pay less than \$10 as final out-of-pocket costs for their NUPLAZID prescription\*

**100%** 100% of Medicare Part D plans cover NUPLAZID†

**\$0** \$0 co-pay for qualifying commercially covered residents‡

Complete the treatment & service request form to get NUPLAZID support for residents.

Get your residents the support they need to start and continue taking NUPLAZID. The treatment & service request form is a simple way to enroll them in Acadia Connect, a personalized support program that can help navigate insurance approvals and provide ongoing access and affordability assistance.

**Need treatment & service request forms? Contact your sales specialist or download anytime at [acadiaconnect.com/prescribe](https://acadiaconnect.com/prescribe).**

# How Acadia Connect™ can help

Acadia Connect helps ensure that it's easy for your residents to start and continue taking NUPLAZID with access, insurance, and prescription support.

## Cost & Insurance

Benefits verification, prior authorization assistance, financial assistance, and access support

## Prescriptions

Assistance with formulary lookup

## Support & Education

Sharing guidance to help your residents understand the services Acadia Connect offers and access the medicine you prescribed

## Connect to a Patient Access Manager

Use the treatment & service request form to connect to a Patient Access Manager who can assist with access or affordability issues and keep you informed if there's an interruption in a resident's treatment regimen.

## Pair with a Care Coordinator

We provide enrolled residents with a dedicated Care Coordinator who can offer personalized guidance regarding access, insurance, and prescription support.

## Enroll your residents in Acadia Connect.

Complete the treatment & service request form to start these services for you and your residents today.

**Have questions?** We can help. Connect with us at 1-844-737-2223, Monday through Friday, 8:00 am to 8:00 pm ET.
